You can't tell how someone's feeling unless you talk to them, right?

Of course I won't if you don't tell me.

AND NOW YOU EXPECT ME TO KNOW HOW YOU'RE FEELING?!

HOW THE HECK IS THAT SUPPOSED TO WORK?!

YOU NEVER SAY A THING ABOUT HOW YOU FEEL!!

Eh?

?

...Now you're starting to sound like him...

I wasn't happy,

but everyone always praised me whenever I successfully completed my mission.

Ever since

I was a kid, I was admitted into a government facility for strangers where I trained my powers,

and I was assigned missions after becoming an official stranger.

I wanted a reason to why I had this ability.

Even though I hate it, I'd tell myself that there's a reason it was given to me...

Despite me hating my own ability,

I was so dependent on it.

But ...

it's meaning-less if I fail.

You say that you don't enjoy the praise,

does that also apply to when Aria-san does it?

Even if I tell myself that I don't enjoy the praise...

Maybe the truth is that I needed it more than I thought?

W-well ...

Eh?

Then you already know that you do need it!

I guess it's nice when it's from Aria, but...

AHAHAHA!

WH-WHAT'S SO FUNNY?!

IT'S NOT SOMETHING TO LAUGH AT!!

Ahaha, you're weird~! ☆

And you're telling me that you haven't noticed this?

I'm sure you'll like it too if Takara-san says something nice!

No thanks.

Then in exchange, Ruri will tell you something about herself!! ☆

ばーん!

Why am I talking to you about this...?

Some-thing's wrong with me...

Ruri was about five when she became a stranger.

Are you listening to me?

Um, this happened in Ruri's past...

But then ...

it was also Ruri's fault that papa and mama separated.

Ruri could turn things back five minutes with my right hand.

The government researchers were really fascinated about it~

Eh ...?

Papa

was an anti-stranger kind of person.

She really, really ...

loved me.

but she adored Ruri even after she became a stranger.

It would've been tough with just mama left,

I failed to save mama who loved me.

But ...

When Ruri was twelve, we got caught up in a crime by some outlaws

and mama died.

I desperately tried to save her.

I kept turning back the injuries on her body,

I wasn't even sure if she was still alive...

When I needed it the most,

my ability was useless, and I hated it...

It was the same for me as well.

60

And then the five minutes were up.

30

Left all alone now,

it took a long time for me to regain myself.

But unlike me,

k...

you have friends who are worried about you.

Aria-san,

Takara-san.

Yowabi-chan, Saragi-chan, and...

To be honest,

you make me reeeeally jealous.

WHO THE HELL ARE YOU?!

RISING × RYDEEN

.....

Toya ...?

Is that ...

X19 - As someone might, or might not, have said once: whether you can be a hero is solely up to you.

Do you know him?

WHO'S THAT MAN, RURI?!

THOSE OUTLAWS WERE DEFEATED BY ME, THE STRANGER OF THE CENTURY,

AND HIS UNDERLINGS!!

ENOUGH WITH THE SMUG FACE,

BAS-TARD!!

OBJEC-TION!!

I'M NOT YOUR UNDERLING!!

You think you're a hero or something?

I've been a Government Stranger up until now because he told me to be one,

but playtime's over.

I wanted Takara-san to join us,

Toya's word is everything to me.

Strange Ability:
